

## To follow the Campaign Narrative without solving the puzzles

Instead of solving the puzzles, place calendar events as indicated.

- 1) When the **Puzzle book is unlocked** – put 29.5 on the calendar 1 week from now, and 30.6 2 weeks from now.
- 2) When scenario **58** is complete – put 35.1 on the calendar 1 week from now.
- 3) When scenario **34** is complete – put 43.5 on the calendar 2 weeks from now.
- 4) When scenario **9** or **20** is complete – put 26.5 on the calendar 1 week from now.
- 5) When scenario **17** or **31** is complete – put 52.3 on the calendar 2 weeks from now.
- 6) When scenario **21** is complete – put 36.8 on the calendar 1 week from now.
- 7) When scenario **33** is complete – put 46.2 on the calendar 1 week from now, and 11.8 2 weeks from now.
- 8) When scenario **41** is complete – put 30.1 on the calendar 1 week from now, and 14.1 2 weeks from now.
- 9) When scenario **58** or **59** is complete – put 79.4 on the calendar 1 week from now, and 87.4 2 weeks from now.
- 10) When scenario **60** is complete – put 39.4 on the calendar 1 week from now.
- 11) When you have netted all 10 standard creatures for the stables (don't need Brummix, or HE-RO-IC-S), read 68.5.
- 12) When the Craftsman is at level 9 read 59.3
- 13) When all Character Classes have been unlocked read 77.1
- 14) When scenario **61**, plus stages 11, 12, & 13 are complete – put 64.3 on the calendar in 3 weeks.
